World Health Organization issues “Pandemic” Level SIX!

As of Thursday, June 11, 2009, the W.H.O. has made it “official” - the World is engulfed in “pandemic flu” with millions and millions of human lives at stake. Sadly, most Americans fail to grasp the significance of this historic event. Most people wrongfully believe that “the flu” could not possibly be all that dangerous—and worse, the majority falsely believe that “the government health agencies” will have a magic-bullet vaccine to solve the problem. Make no mistake, however, this “pandemic flu” is very dangerous and very serious. It is indeed the exact clone of the deadly 1918 virus that swept the globe, killing many millions of innocents. The problem is, the 1918 pandemic was

the DIRECT RESULT of typhus fever vaccines injected into the veins of millions of Allied as well as German troops during WWI. At the time, health professionals called the mysterious pneumonia-like ailment “Paratyphus” and watched helplessly as the virus killed millions. Back in 1918, health “professionals” knew NOTHING about viruses—viruses weren’t discovered until the mid-1930’s. In 1918, it was believed that only bacteria caused diseases such as Typhoid Fever. The fledgling Rockefeller pharmaceutical cartel was just beginning to manufacture large batches of “vaccines” beginning with “cowpox” and smallpox—but it soon expanded into typhus vaccines as well. When the “Great War” broke out, Rockefeller labs began mass-producing vaccines combining postules of pus harvested from diseased hu-

mans, injected into pig (swine) hosts, then harvested and then incubated in chickens. This is the sequence that allowed the influenza virus from humans (H3N2) to merge or recombine with swine flu (H1N1) as well as bird flu (H5N1). This highly lethal recombinant virus eventually killed millions in 4 separate “waves” of pandemic. Today, the so-called “swine flu”, according to the CDC and WHO reports, is a recombinant form of bird flu, swine flu, and human flu — exactly mirroring the 1918 killer virus. Dr. Taubenberger’s team at Ft. Dedrick used advanced microbiology to recreate the 1918 killer virus in the test tube—and now it’s released.

“Swine Flu 2009” Is In Reality the “Weaponized” 1918 “Spanish Flu”

In 1997, Dr. Jeff Taubenberger employed by the U. S. Army Institute of Pathology in Ft. Dedrick Maryland began work to “recreate” the deadly 1918 pandemic virus that killed millions of people worldwide. After isolating the virus in a vic-

tim exhumed in Brevig, Alaska, Taubenberger identified it as a “Novel H1N1 Influenza A Virus” with “recombinant gene segments of human, swine, and avian origin” in a published report dated 21 March 1997. The World Health Organi-

zation and the CDC have publicly identified the “Swine Flu” as being a “Novel H1N1 not previously detected in swine or humans, and is a triple recombinant of human, swine and avian origin.” HMMM! Is this just a coincidence??

THE ESOTERIC (HIDDEN) GOALS BEHIND THE ENGINEERED “PANDEMIC”

In 1959, a man named Aldous Huxley (A Brave NEW WORLD) wrote: **“It seems to me perfectly in the cards that there will be within the next generation or so a pharmacological method of making people love their servitude, and producing a kind of painless concentration camp for entire societies, so that people will in fact have their liberties taken away from them but will rather ENJOY IT, because they will be distracted from ANY DESIRE TO REBEL by propaganda, brainwashing OR BRAINWASHING ENHANCE BY PHARMACOLOGICAL METHODS.”** Have the American people

been hoodwinked and “brainwashed” by “pharmacological methods?” In other words, has two generations of children been given “pharmacological agents” to enhance brainwashing techniques by a repressive government? Are childhood and adult “seasonal” vaccinations part of this “pharmacological methodology” or are they completely harmless and benign natural substances free of any harmful chemicals and pathogenic material?? Are childhood vaccines loaded with mercury (thimerosal) and squalene the primary cause of ADHD and Autism in children? Could these injected blood toxins in reality be the seeds of cancer, diabetes, and other chronic diseases

designed to bloom and blossom in later years?

Make no mistake, the elite bloodlines controlling planet earth desire to greatly reduce the human population in the next 2 or 3 years. “—the resultant ideal sustainable population is hence more than 500 million but less than one billion.” - Book titled “Goals for Mankind” published by The Vatican-controlled “Club of Rome”.

“If I were to be reincarnated, I would wish to be returned to earth as a perfect killer virus to lower human population levels!” - Prince Philip, Duke of Edinburgh.

Why else would such people finance Taubenberger to recreate a killer virus?

Fight the Flu With Oxygen Treatment and Therapy (O.T.T.) Drops In Combination With Silver and Iodine

A RNA-engineered virus, whether it is H.I.V., the West Nile, E-bola, or “Swine” Flu is simply a genetic structure consisting of protein and amino acid chains. No matter how advanced the weapons laboratory is, the designer viruses they create are not invincible and can easily be destroyed by Mother Nature’s primary weapon—OXYGEN! When exposed to negatively-charged ions of OXY-

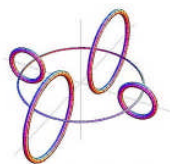

GEN, viruses immediately oxidize and are basically destroyed and eventually dissolve into harmless protein and amino structures that the cell now utilizes as food. Researchers such as Dr. William F. Koch discovered the amazing po-

tentials of oxygen in the form of hypochlorous acid back in the 1920’s only to have their incredible breakthroughs ignored and buried by Big Pharma. Dr. Koch found that combining oxygen therapies with minerals such as silver and iodine—all viral infections could be minimized and made ineffective.

What Exactly are O.T.T. Drops, and What do They Do?

As Dr. Koch discovered nearly a century ago (see www.williamfkoch.com) combining highly alkaline “Carbonyl” mineral elements with natural citric acids resulted in a natural chain reaction with carbon (I.e. sugar) and iron particles producing elevated quantities

Oxygen Ions Enhanced by Redox technology.

of singlet oxygen ions in the blood and tissue cells. This is what is accomplished by the O.T.T. drops as well. The Oxygen Treatment and Therapy (O.T.T.) product consists of two .5 ounce bottles. One bottle contains a “reagent” or highly alkaline

solution of concentrated minerals, while the other bottle contains a 50% concentration of natural citric acid solution. When combined together in equal parts, the elements combine to form hydrochlorous acid compounds that when consumed as instructed result in highly effective and elevated OXYGEN in the body.

Steps to Protect You and Your Loved Ones From the Killer Flu, the “Engineered Pandemic”

1. First and foremost, **DO NOT GET VACCINATED!!** Just as in 1976 “Swine Flu” hype, submitting to an untested, experimental vaccine laced with adjuvants such as squalene, thimerosal, MSG, and even **RABIES VIRUS** can in no way increase your chances of surviving an infection. In fact, it will very likely cause a greater occurrence of disease and death.

2. Purchase a nasal inhaler (M.E. M. has them available) and mix it with equal parts MEM Silver and Iodine. Whenever going out in public, continually make sure that your nasal passages are sprayed every 20

minutes with the nasal solution of silver and iodine. 95% of all viruses are passed through the nose and mouth. If you do not submit to a vaccine, where the live viruses are directly injected into the bloodstream, you will **GREATLY REDUCE** the chance of colonizing the virus with the silver mixed with iodine spray.

3. Take a minimum of three drops O.T.T. (three of both components for a total of six drops) twice daily. If you begin to exhibit signs of infection (achy joints, sore throat, lung congestion, fever) and feel you may have become infected, immediately take up to 14 drops twice daily until

symptoms subside.

4. Concentrated oxygen (aka ozone) should be diffused constantly in the home and office for an extra layer of protection. Contrary to government propaganda, concentrated oxygen (O₃—ozone) is quite safe to inhale and is much different than harmful hydro-carbon emissions that are wrongfully also called “ozone”. Bubbling pure ozone through virgin Olive Oil makes it 100% safe to breath and is a **POWERFUL ANTI-VIRAL** and **ANTI-BACTERIAL** agent.

Information on critical subjects concerning your health and wellness has been expanded. When you purchase a new car, a professional salesman will more than likely introduce you to a book called an owner's manual.

In it, you will learn how to maintain and service your new car to maximize its longevity and to minimize downtime and expensive repairs. It is ironic that our most vital asset, our human bodies, do not come with a similar owner's manual. This is what this 3rd Edi-

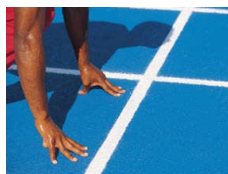

tion is designed to be: an owner's manual for the human body. A new car needs systematic replacement of fluids and fuel, and an occasional oil change and service. Our bodies also need the same things, fluids, fuels, and preventative maintenance.

Mother Earth Minerals Inc. (MEM) provides information and nutritional counseling to a growing number of individuals seeking answers to health care puzzles, and was founded by A. True Ott, PhD, ND in December, 1998. All intelligent life on Planet Earth is governed, either for good or evil, by electromagnetic impulses on the cellular level. The great healers throughout recorded history have had one thing in common, they understood how these impulses operate and were able to successfully harness them for the benefit of mankind. MEM is dedicated to the positive exploration and public dissemination of this vital, lost knowledge. Remember, MEM's the WORD!

When Life gives you Lemons, it's Time For Lemonade!! By A. True Ott, PhD, ND

It is impossible to create any action that does not have value. You may not see it, but that is irrelevant. Live in the trust that when it is appropriate, pieces will fall into place and you will see clearly. —*Thoughts from the Seat of the Soul—Gary Zukav.*

The Karmic Wheel of the Hindu, the Philosophy of Buddha, the Judeo-Christian Mantra— 'As You Sow, So Shall You Reap' all refer to the universal truth that one's actions (or inactions as the case may be), produces specific consequences. I have only recently begun to understand the inherent truth of this law. There is absolutely no doubt in my mind that all living organisms exhibit not only a complex cellular physical structure, but exude a spe-

cific frequency of energy field called Aura, Chi, Prana, etc. Science is only now beginning to understand that this energy field is inextricably connected to literally everything in the Universe—a Universal Consciousness if you will. When an individual opens his/her mind to objectively analyze and search for all truth, miracles are often the result. Understanding and increased knowledge then begins to flow to the mind and heart of the individual, and mankind is only then blessed with new, and exciting technology. A careful analysis of the lives of all innovators shows that this is true. Thomas Edison succinctly said it best at the end of his incredible life: "I am always learning!" I am convinced that today, extremely evil and conspiring men and women are combining to threaten Life, Individual Liberties, and the Pursuit of Happiness as never before in our nation's history. Individuals endowed by the Creator with passion for the preservation of these "inalienable rights" are today be labeled "Domestic Terrorists" and are wrongfully placed under unwarranted surveillance and harassment. America is under siege. Brainwashing via pharmacological methods (vaccinations) is rampantly out of control. Is it not time to take a loving stand?
